

When did Time Begin

👁 32 ✓ 1 ⭐ 4

Chapter 1 by Kylo

I've always wondered about how time begins and ends. But now I know. time is like a circle, a cycle perhaps. But it is very dangerous. if you even try to mess with it a tiny bit you'll mess up the whole time space continuum. that when time fell to the wrong hands.

Chapter 2 by tiltedgypz

Deception, took times hands, moving them to the wrong positions. Everyone now thinking they're two years older, deceived into believing, time never lies. With his Houdini haircut, he wishes he could disappear, but instead he chooses to hypnotize, the masses, into believing that he," now controls time. With every intention of auctioning it off to the highest bidder. For those who think controlling time, means controlling populations, perhaps" entire planets, if they believed, they could travel thru time," yes,' this would be a plan, to discuss with his associates," yes Indeed".
